The farmhouse offers culinary heritage experiences Dzūkija Feast and Lithuanian Mead tasting. Guests can try authentic dishes cooked in a clay oven, learn about traditional mead production, and explore local crafts, songs, and folklore. They are also invited to join an electric car tour of Birštonas to discover the town's history and natural beauty.

Ilzenbergas Manor

Tel. n. +370 696 4404. dvaras@ilzenbergas.lt ; ilzenbergas.lt

Tours and educations; food tasting; wine tasting and more.

„Paežeriai Manor"

+370 669 51842; rezervacija@dvaras.lt ; Dvaro st. 6, Paežerių Vil., LT-70372 Vilkaviškio Dist..
www.paezeriai.info; https://www.instagram.com/paezeriudvaras/

Visitors explore daily life in Suvalkija at the turn of the 20th century. They learn about traditional agricultural tools, take part in threshing and milling grain, and see household items and lighting devices with guidance from an educator in traditional costume. In the Butter Making activity, visitors churn butter and taste it with homemade bread. The Interwar Kitchen demonstrates early 20th-century cuisine, while the 18th-Century Manor Kitchen shows manor life shaped by French Enlightenment trends and Lithuanian traditions.

„Stumbras“

https://www.stumbras.lt/en/

Gubernija is one of the oldest breweries in Northern Europe, renowned for its traditional beer and bread kvass. The historic brewery buildings in Šiauliai are listed as a cultural heritage site. In 2024, the renovated Gubernija HUB Visitor Center will open, featuring the educational program *“Lithuanian Beverage Journey.”* Visitors can discover the brewery’s history, see how the drinks are made, and taste its most popular products.

„Stumbras“

https://www.stumbras.lt/en/

Stumbras produces spirits using recipes from the late 19th century alongside modern methods, with natural ingredients. Over 377 recipes have been developed. The Stumbras Museum, opened in 2009, presents the history of the factory, its role in Lithuanian industrialization. The educational program lasts 2-2.5 hours and includes the factory’s history, a demonstration of the production process, and a beverage tasting.

„Mociškiai Manor Farm“

+370 652 90229; mociskiupalivarkas@gmail.com; Jūros st. 12, Mociškių Vil., 99249 Pagėgių Mun.; https://mociskiupalivarkas.lt/; facebook.com/palivarkas

In Mociškiai Manor Farm visitors can discover the life of bees, the history of beekeeping, and the benefits of honey and other bee products. Guests taste different kinds of honey, learn what makes each unique, and even try natural bee “chewing gum.” They can also enjoy traditional Lithuania Minor dishes from the late 19th and 20th centuries. The site is located along a river, with camper pitches and additional cabins for overnight stays, and catering services are available.

“Upaitė”

+370 688 39447; info@upaite.lt; Lietuvininkų st. 24, Šilutė; https://upaite.lt/; https://www.facebook.com/upaite; https://www.instagram.com/water_tourism/

The Nemunas Delta cruise visits Rusnė, Uostadvaris, Lake Krokų Lanka, Mingė village, and Ventės Ragas. Along the way, visitors can watch birds, explore the culture of fishing villages, and enjoy traditional fish soup and a picnic prepared by local producers. Duration of the tour is around 8 hours.
